FAbstract Centralized procurement of drugs with quantity, including the quality, quantity and price of drugs that have passed the quality and efficacy assessment of common drugs in centralized procurement, in order to ensure the quality of drugs and reduce production efficiency. drug prices. Since the country set up 11 districts to carry out pilot drug procurement pilots in 2018, the seventh batch of pilot projects has been carried out. The procurement of drugs has achieved results, saved insurance premiums, and doctors received 270 billion yuan. As well as the research and development, production, distribution and use of drugs, Healthy playing field and engagement.
